Dear Sir / Madam,

Ref: PP-12894747

103 Bournemouth Rd, Chandlers Ford – Design & Access Statement

We would like to propose the below at our newly proposed Tesco Express Store

- New ATM with new Camera & Light to be installed within existing aperture.

The above will be completed under controlled, safe condition under the inspection of a project Principal Designer, taking into account access via customers, colleagues or deliveries being of as minimal impacts as reasonably possible.

Kinds Regards

Andy Horwood
