1 Front Elevation - PROPOSED 1:50

3 Side Elevation - PROPOSED 1:50

\* BRICK TO MATCH EXISTING  
\*\* NEW WINDOWS AND DOORS FRAMES TO BE DARK GREY

1: 50

GENERAL NOTES

- Do not scale dimensions from this drawing in either paper or digital form. Use figure dimensions only. All dimensions are in millimetres unless otherwise stated. All drawings to be printed at 200% scale. Do not 8 to printed margins when printing.
1. This drawing is copyright of Fortis Design Ltd. and must not be reproduced or used without prior written consent.
2. These drawings are subject to Planning and Building Regulation approval or any other details in law prior to commencement of building work.
3. This drawing is to be read in conjunction with all relevant engineering and / or specialist drawings and specifications. Any structure work shall be undertaken on this drawing is subject to a suitably qualified structural engineer's calculations prior to commencement of building work.
4. Health & Safety: All specific drawing notes are to be read in conjunction with the project Health & Safety documentation.
5. All boundaries are assumed and are to be checked on site prior to commencement of building work.
6. All dimensions and levels are to be checked on site prior to commencement of building work. Set out the proposed work before starting or during construction.
7. Check location and status of all existing services above and below ground on site. Set out and check existing, and new levels to confirm corrections can be made to the full and surface water drainage.
8. Any discrepancies are to be reported to Fortis Design Ltd immediately for verification prior to commencement of the affected works.
