

NOTES:

1. Not scale dimensions from this drawing in either horizontal or digital form. Use figured dimensions only. 2. All dimensions are in feet and inches. 3. All dimensions on drawings to be printed at 100% scale. Do not fit.

This drawing is copyright of Fortis Design Ltd. It must not be reproduced or used without prior written consent.

All excavations are subject to Planning and Environmental Regulation approval and any other statute in force prior to commencement of building work.

This drawing is to be read in conjunction with all other drawings and specifications and any other drawings and specifications. Any structural work shall be carried out in accordance with the relevant approved structural steelwork and civil engineering calculations and to the commencement of building work.

Health & Safety: All specific drawing notes are to be read in conjunction with the Health & Safety documentation.

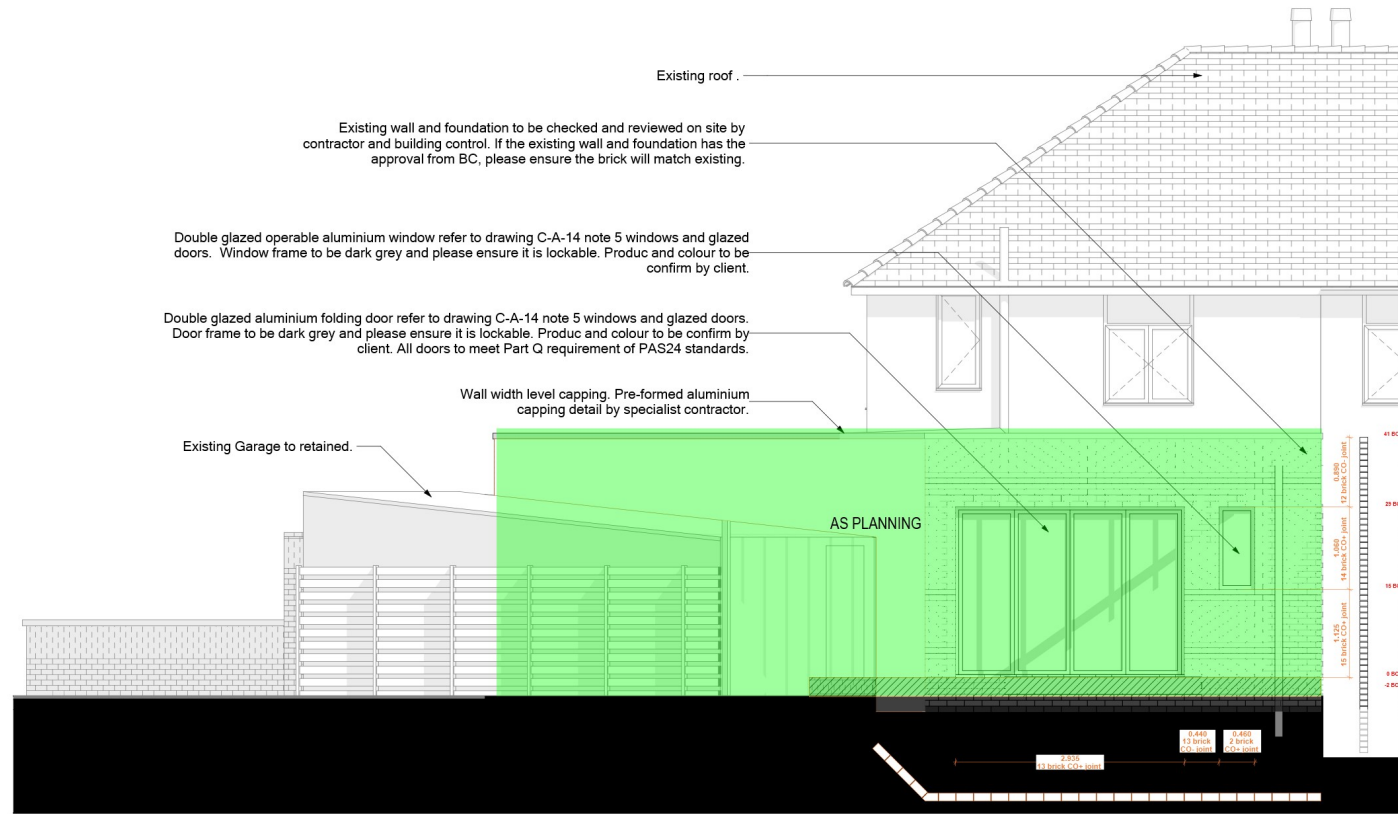

All boundaries are assumed and are to be confirmed on site prior to commencement of building work.

All dimensions and levels are to be checked on site prior to commencement of building work and if not proposed work before ordering or cutting materials.

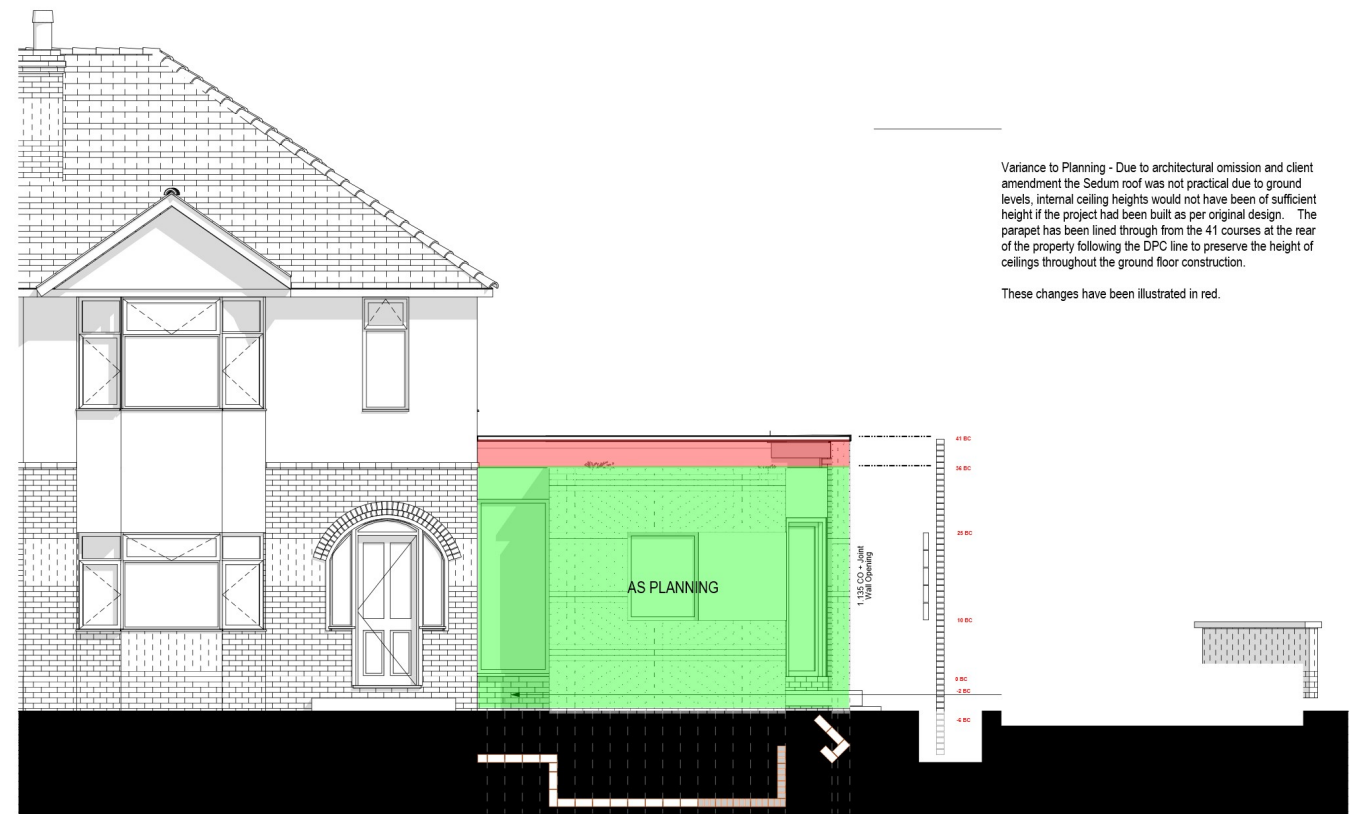

Check location and status of all existing services underground and below ground on site. Set out and check all levels to confirm construction levels.

Make made to the four and surface water drainage.

Any discrepancies are to be reported to Fortis Design Ltd. prior to commencement of the affected works.
