Eastleigh Borough Council, as Local Planning Authority hereby gives notice that **Prior Approval is Not Required.**

Note to applicant: Please be advised that wildlife protection laws apply. The Wildlife and Countryside Act (1981 as amended) is the primary legislation that protects wild animals, plants, and habitats in the UK. It lists the species which are protected by law along with their resting places and the non-native invasive species which must not be allowed to spread into the wild. If you suspect that protected or invasive species may be affected by your development, it is your responsibility to get an ecology survey and implement the recommended mitigation measures.
