For Alexandra Stone,

Re H/24/96796 43 Randall Road, Chandlers ford . We live at no 45 Randall Rd , and have just received a letter about this application , too late to comment .

Its different and bigger than what my neighbor told me , especially the extended porch , which appears to go beyond the building line .

Can you insist that they use the same roof tiles as the existing roof , since a cheaper concrete tile will look horrible .
