

Parcel C2a and C2b

Outline application:

DC/21/90474

Vistry Group

12/12/23

Parcels C2a and C2b are 100% built-out.

Further information requested.

Condition 12 – Sustainability Requirements

In addition to the information submitted please provide a plan indicating the siting of the proposed solar panels, similar to drawing PV-LIN-BOO-100 rev C provided for Parcel B6 under DC/21/90358.

Response:

The following schedule shows the plots where solar panels have been installed. A plan is not available for these parcels.

Parcel C2a and C2b
