Dear Mr Huckfield,

103 BOURNEMOUTH ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 3ZJ

Proposed New ATM within existing aperture, Proposed New Light, Proposed New Camera.

In regard to application F/24/97134, having reviewed the information contained within the application pack, there is no objection to the proposals from a highway perspective.

There is however a lack of specific detail in regard to the light proposed to be located above the ATM, and as such, whilst it is not envisaged that this would be an issue due to its location, it would be requested that the following condition is applied, should the Case Officer be minded to approve the application.

AMOUNT OF ILLUMINATION

The illumination of the consented sign(s) shall be no greater than 600 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,

Matt Grantham
