Subject: RE: [F/24/96976] Mitchell Road Car Park, Eastleigh, SO50 5RD - Pollution comments

Hi Rachel,

Thanks for sending the response from the applicant. It is noted that equipment that can produce noise will not be installed as part of the application. As such, we have no objection with the proposed removal of existing equipment and installation of new telecomms equipment at the roof of Mitchell Road Car Park, Eastleigh, SO50 5RD as per application reference F/24/96976.

I trust the above information is of assistance. If you have any further queries, please do not hesitate in contacting us.

Best regards,

Yacklin

You don't often get email from s.kelly@whptelecoms.com. [Learn why this is important](#)

Good afternoon Rachael,

Suzi is on annual leave but I have had a reply to your query below via your environmental health team below:

With the existing cabin being removed, there won't be any A/C units, however the cabinets that were in-situ will be removed and replaced for 3no cabinets on the grillage.

Please let me know if you require any further information.

Kind regards,

Shell Kelly

Subject: [F/24/96976] Mitchell Road Car Park, Eastleigh, SO50 5RD - Pollution comments

Hi Rachel,

Thanks for consulting the Pollution Team.

I have reviewed the following documents for the planning application reference F/24/96976 for the removal of the existing supporting steelwork, headframe, 9no. antennas and equipment cabin and the proposed installation of a 10-metre stub lattice tower together with 3no. antennas, 4no. cabinets and associated ancillary works. Existing 1no. 300mm Dish to be relocated to new tower at the roof of the site known as Mitchell Road Car Park, Eastleigh, SO50 5RD:

- Cornerstone. WHP Telecoms Ltd. Supplementary information. Dated 23/02/2024
- Site plans.

Can the applicant confirm if there is any new equipment to be installed (such as A/C units or similar) that can produce significant levels of noise? If so, can they provide details?

Once we have this information, we can give you our comments on this application.

Best regards,

Yacklin
