Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure) (England)
Order 2015

Application No. H/24/96891

In pursuance of their powers under the above Act and in accordance with your application received on Monday 19 February 2024 the Council, as Local Planning Authority hereby **Permit** the following :

Description: Single storey side extension & internal alterations.
Site: 141 SANDY LANE, FAIR OAK, EASTLEIGH, SO50 8GF

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall be implemented in accordance with the following plans numbered: 3035/02_10_D and 3035/02_11_C

Reason: For the avoidance of doubt and in the interests of proper planning.

- 2 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 3 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the existing building.

Reason: To ensure a satisfactory visual relationship between the new development and the existing.

Note to applicant:

In the unlikely event of any bats being found during demolition or construction, all work must stop immediately, and Natural England must be called. Additional information is available on the Bat Conservation Trust website at <https://www.bats.org.uk/advice/imworking-on-a-building-with-bats/ive-found-a-bat-during-works>. If any stag beetles or hedgehogs are found on site they must be allowed to move away from the works on their own. Biodiversity enhancements will be required. A bat box may be appropriate for this building but must be located away from the log burner.

The Bat Conservation Trust recommends installing a bat brick/box at least 4 m above the ground, away from artificial light sources, sheltered from strong winds and exposed to the sun for part of the day, facing south, south-east or south-west.
