Dear Rachael,

Re: F/24/97188

Our reference: SOU24021

I refer to your consultation request received in this office on 15th April 2024.

The proposed development has been examined from an aerodrome safeguarding perspective and could conflict with safeguarding criteria. Accordingly, a more detailed assessment requires to be undertaken regarding the potential impact on Southampton Airport.

Whilst every effort will be made to reply as soon as possible, we may not be able to reply within 21 days of receipt of your consultation request. We, therefore, submit a holding objection until we are able to advise you of the results of our investigations.

You should note that where a Planning Authority proposes to grant permission against the advice of Southampton Airport, it shall notify Southampton Airport, the Civil Aviation Authority and the Secretary of State as per Circular 1/2003: the Town & Country Planning (Safeguarded Aerodromes, Technical Sites and Military Explosives Storage Areas) Direction 2002.

Regards,

Dan Townsend
