

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/24/96874					
Surveyor	SK					
Address	76 FREEGROUNDS ROAD, HEDGE END, SOUTHAMPTON, SO30 0JA					
Proposed work	1no. Ash - Pollard ash tree to 6/7m to suitable growth point due to crown having onset ash die back.					
Assessment Date	26/03/24					
Officer comments	ADB not easy to identify from the public realm so additional information sought from tree surgeon. They supplied photos showing the trees have been reduced in the past and confirmed that the owner is planning to keep the trees pollarded as necessary and that MEWP access is possible along the side gravel drive. Trees with ADB are more likely to fail so climbing is to be avoided if possible.
