The Town and Country Planning Act 1990**

Application No. NC/24/97003

In pursuance of their powers under the above Act and in accordance with your application received on Tuesday 5 March 2024 the Council, as Local Planning Authority hereby **Raise No Objection To** the following :

Description: 1no. Oak (T1) - Fell to ground level. Canopy has been suffering from dieback over last 3 years.
1no. Oak (T3) - Fell to ground level. Signs of dieback in the canopy last summer, continued into decline. Canopy has limited foliage, now a safety issue given close proximity to garage.
1no. Oak (T4) - Reduce the lowest limb extending out toward the boundary & track by approx. 3m. The limb has a large exposed cavity on upper side from a previous wound where a limb failed. A reduction in end weight will reduce the leverage being placed on this cavity, and lower chances of failure.
