

H/23/95577 - 2 GLENBOURNE COTTAGE, BEACON ROAD, WEST END

Dear Clare,

We do not raise an arboricultural objection to the amended proposal for a larger extension. Further, it should not require an amended tree protection plan (submitted under DC/23/95985) as it appears that there will be suitable room for construction access outside of the Construction Exclusion Zone.

Kind regards,

Chris.
