**RE: Discharge of conditions 20 & 21 of full planning permission F/19/86233**

---

Further information has been requested on the points below relating to conditions 20.

**Condition 20 – External Materials**

*My sincere apologies, but I have noticed that I previously asked that the schedule be amended to show Block B having only weatherboarding, when in fact it was correct that both weatherboarding and tile hanging are proposed on this block. Please could the Cladding column of the schedule be amended back to indicate the use of weatherboarding and tile hanging on block B.*

**Response:**

**The Materials Schedule shows a mix of weatherboarding and tile hanging on Block B as requested.**
