

F/24/96858 - Land West of Allington Business Centre, Allington Lane, West End, SO50 7DE

Hi Summer,

Arboricultural Documents

None

Comments

As stated on the previous application, the site is tree-free, with hedge, scrub and trees external to the site boundary. The boundaries appear to be suitably distant to the more significant trees, especially to the north (along the river).

We raise no arboricultural objection to the proposals.
