Dear Mrs Errington,

Land West of Burnetts Lane and North of Fir Tree Lane, Horton Heath, Eastleigh

Construction of areas of Green Infrastructure for the One Horton Heath Development, including open space, landscaping, bridleways (to include an upgrade and diversion of an existing Public Right of Way and causeway works), footpaths, SuDS, play areas and ecological and biodiversity enhancements (proposal constitutes EIA development)

In regard to application F/24/96895, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective.

It would however be requested that the submitted Construction Environment Management Plan (CEMP) is conditioned to ensure it is adhered to, should the Case Officer be minded to approve the application.

Additionally, the views of the HCC Countryside Services Team should also be sought independently, if they have not already been consulted.

Yours sincerely,

Matt Grantham
