Dear Rachel,

Thank you for the amended floor plans which show that the main changing areas now meet the ECB recommended size guidelines of 20 square metres.

Sport England has no further comments and we wish to reiterate our non-objection under our E2 exception:

- *The proposed development is for ancillary facilities supporting the principal use of the site as a playing field, and does not affect the quantity or quality of playing pitches or otherwise adversely affect their use.*

Many thanks,

Owen Neal (MRTPI)
