Dear Sir / Madam,

Ref: PP-12925542

2156 Southampton - Tesco Extra - Design & Access Statement

We would like to propose the below items at our Tesco Extra Store

- New container finished in Dark Blue.
- New Canopy to be finished in Gold.

The proposed new container will serve as a dedicated space for potential new tenants, offering them a protected area when conducting business activities.

The above will be completed under controlled, safe condition under the inspection of a project Principal Designer, taking into account access via customers, colleagues or deliveries being of as minimal impacts as reasonably possible.

Kinds Regards

Andy Horwood
