

H/24/97363 - 22 KINGSWAY GARDENS, CHANDLER'S FORD

22/06/2024

Dear Claire,

Whilst there is a tree relatively close to the proposed development area, we feel that, because the area is already developed and is relatively minor in massing, the risk to the amenity provided by the tree is low. Therefore, we raise no arboricultural objection to the proposal.

Kind regards,

Chris.
