

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/24/97297				
Surveyor	Charlotte Holloway				
Address	11 HOCOMBE ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5SL				
Proposed work	3no. Beech (T1, T2 & T3) - Reduce limbs overhanging next door by up to 2m at appropriate cut points. Routine maintenance to lessen encroachment.				
Assessment Date	15/05/24				
Officer comments	The trees are situated on the rear boundary of the property, they form a tree line with some visibility from the highway. The trees all appear in good vitality. The applicant has proposed to reduce lateral growth extending over neighbouring property to the south. This is unlikely to impact overall amenity or long-term tree health, therefore, is reasonable for the management tree within their location.
