Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	NC/24/97277
Surveyor	SK/IF
Address	YEWTREE COTTAGE, HIGH STREET, BURSLEDON, SOUTHAMPTON, SO31 8DL
Proposed work	2no. Yew (T1 & T2) - Crown lift to 4m from ground level, cut size of 30mm diameter. Creating an upswept canopy. Retaining epicormic growth on main stem. Reduce remaining crown by 30cm from branch tips to maintain a balanced crown. To allow natural daylight into dwelling, whilst maintaining the character and charm of the trees.
Assessment Date	15/05/2024
Officer comments	The 2 large yew trees to the front of the property are in the immediate public view and provide character and amenity to this area dominated by traditional cottages. The trees developed a cohesive canopy which can be maintained as one. The proposal for crown lift and sympathetic crown reduction to maintain the shape of the canopy is deemed justified.
