

Planning Application

THE BRIGADIER GERARD, BOTLEY ROAD, HORTON HEATH, EASTLEIGH,
SO50 7DQ

Representee	Address	Comments
Gary Hall	5 BAKER ROW HORTON HEATH EASTLEIGH SO50 7QU	The road maybe a 30mph, but it is a main road, lorries, cars and vans use this road. And as a pedestrian you are right on the edge of it. In the evening the light is very poor and you are definitely taking your life in your hands. The builder must build this footpath, Safety before profit !
Kim Kelly	2 BAKER ROW HORTON HEATH EASTLEIGH SO50 7QU	It is my understanding that there should be a pathway facilitating the houses number 1 - 5 Baker Row. At present without a pathway, it is very dangerous leaving the residence on foot, especially for children. Botley Road is a very busy road, with heavy fast flowing traffic. I strongly object to any alteration to the original planning permission, agreeing to provide a footpath.
Keith Milner	3 Baker Row Eastleigh Hampshire SO507QU UK	We object to this application on the grounds that we require a walkway/pavement to exit our property safely on foot instead of crossing the busy road. We currently have to trudge in the wet soggy mud to exit our property or try crossing the very busy road to get across to the pavement on the other side of the road. The company should build the walkway as previously agreed/contracted to do.
