Dear Gary

F/24/97383- 394 SOUTHAMPTON ROAD, EASTLEIGH, SO50 5QJ- Change of use from residential dwellinghouse (C3) to 7 person/7 bedroom HMO (Sui Generis), including single storey rear extension and conversion of loft to include box dormer Our Ref- PR202405-104646

Thank you for consulting Environmental Health. I comment only upon noise. I note the previous comments made by Environmental Health in respect of F/24/96785 on the 12/2/24. The current application is not materially different in respect of the risks of noise and air quality to amenity and so would draw your attention to these comments.

I can see no submission in the current application to address the issues raised.

Regards
