Richard Niziolek	WARATAH WINCHESTER ROAD FAIR OAK EASTLEIGH SO50 7HD	We have received the planning notice letter regarding the proposed development of the two new properties and whilst we are not opposed to two properties going onto the site the type and location are objected too. The proposed properties are two story properties and as such out of keeping with the other properties in the area. Furthermore the current sighting of the properties will have a direct line of sight from the windows on the south elevation into our lounge, kitchen and other rooms as well as interrupting the current view we have from our lounge and kitchen to the countryside beyond. If the two properties were to be single story, with lower roof lines & located on the site of the existing dwelling so as not to look into our property & obstruct views we would have no objection. If you require pictures to demonstrate current vista and visual impact please advise.
