Dear Ms Altman,

Former Homebase, Hedge End Retail Park, Tollbar Way, Hedge End, SO30 2UH

Application for the discharge of Condition 8 (EV charging points), of planning permission F/19/87100, for 'Extension & external alterations to unit to provide 2 x Class A1 units; alterations to car park layout; variation to permitted range of goods; and associated development'.

In regard to application Dc/24/97395, there is no objection to the discharge of condition 8 from a highway perspective.

The EV Charging Points are located well away from the public highway and will therefore have no impact.

In terms of the private land upon which they are located, they do not appear to obstruct movement within the car park either visually or physically.

Yours sincerely,

Matt Grantham
