Dear Mrs Harrison,

Land North West of Winchester Road, Boorley Green, Hampshire, SO32 2BX

Discharge of conditions application following reserved matters approval RM/17/81628, as amended by X/21/91994 (pursuant to outline permission O/15/75953, as amended by X/19/84943) for Condition 13 (Alternative pedestrian/cycle connection to Winchester Road)

In regard to application DC/24/97269, having reviewed the information contained within the application pack, there would be no objection in principle to the proposals from a highways perspective.

It should however be noted that subsequent to any permission that may be issued by EBC as Local Planning Authority, a secondary permission will also be required by HCC to undertake the works, given they link into the existing public highway. It is noted that the applicants have started this process with a S278 submission via the online portal - <https://www.hants.gov.uk/transport/developers/section-278>

The one point of clarification that would however be requested, is the reasoning why the north to south route of the footway has been taken into site, resulting in a slightly elongated route, rather than simply be located adjacent to Winchester Road.

Yours sincerely,

Matt Grantham
