

OBJECTION - Planning application H/24/97402 – 109 Satchell Lane

Supporting Pictures – submitted by 107 Satchell Lane

9th June 2024

Current street view of 109. Already dominant and overbearing.
This proposal would raise the height at the gable ends by 2.87 m
and the central ridge height by 1.59m.

Aerial pic showing already overbearing dominant scale
and mass of 109. No. 107 left of frame

107 left of frame, 109 dominating on right.
Number 111 on far right already overshadowed.

Pic showing current overbearing mass of 109 with
Existing cropped gables.
It is proposed that height of gable end be raised by 2.87m

Boundary between 107 and 109 taken from rear of properties. Downstairs bedroom in 107 is rt of frame. N.B. there is only 1.90m between 107 and 109

Very low angle from downstairs bedroom showing edge of cropped hip. This sliver of light will disappear if roof line is raised by 2.87 metres.
