Representee	Address	Comments
Fiona Mason	28 MITCHELL DRIVE FAIR OAK EASTLEIGH SO50 7FU	Block light in my home due to his neighbour having over sized cabin in garden
John Hunter	26 MITCHELL DRIVE FAIR OAK EASTLEIGH SO50 7FU	We have no objection to the erection of the car port. However we would like an explanation of why this building requires planning permission, when the erection of a large cabin which overlooks our garden and house did not require planning permission as it was designated within permitted development.
AN Othef	34 YEW TREE CLOSE FAIR OAK EASTLEIGH SO50 7GP	If approved does this mean all residents can build car ports?
