Application number:h/24/97082

We have today received a letter regarding 67 ribble close,chandlersford.

We do not agree with this ,as the parking is so limited already, and it would take yet another space,and also the disabled bay.this would.also be noise and fumes as next.to our home and bedroom.windows.This would cause unnecessary problems .we have 2.spaces at present at the front only and that would leave 1 !.they're are 9 houses in that row that need spaces to park all having cars .we struggle as it is,to find places to park.i myself need and use the disable bay as I'm registered disabled and have a blue badge.

Yours sincerely

E anstess
