1st May 2009

Dear Ian & Wendy

Please accept this letter as notice of withdrawing from the Garden Centre display site.

From June, Andrew is intending to take over the rental and will discuss this with you.

I am obviously very disappointed to have to take this step but the current climate coupled with bad debts and last year's building company collapse has decimated the Company.

Many thanks for all your assistance over the years.

Best Regards

Phil Porter
