

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/24/97384				
Surveyor	SK				
Address	Land between Mansbridge Road and Mill Gardens, West End, SO18 3AG				
Proposed work	1 no. oak (T1) - Remove all major deadwood. About 30% of the crown is dead including the whole middle section. Crown reduce remaining lateral limbs by up to 2m to suitable growth points.				
Assessment Date	21/06/24				
Officer comments	Tree grows in a retained strip of vegetation between Mill Gardens and Mansbridge road. It is more visible from within the development than the main road. Tree is in decline and has been for some years. It is starting to establish a secondary canopy so a sensitive reduction will hopefully promote this retrenchment.
