Dear Ms Sharpe,

Land West of Allington Business Centre, Allington Lane, West End, SO50 7DE

Change of use of land for the creation of 10 Gypsy/Traveller pitches comprising the siting of 10 mobile homes, 20 touring caravans, the erection of 10 day rooms, 12 timber outbuildings, boundary treatment and associated development (retrospective)

In regard to application F/24/96858, and subsequent to the original HCC Highway consultation response dated 17 April 2024, it is noted that a Construction Environment Management Plan (CEMP) has been submitted by the applicant.

This outlines that the majority of works on site have already been completed, with just the block paving element remaining. Given this, it would not be anticipated that delivery vehicle movements would be significant, and onwards it is very unlikely that any dirt or debris would be transferred onto the highway given the length of the private access drive.

As such, there remains **no objection** to the proposals from a highway perspective.

Yours sincerely,

Matt Grantham
