EASTLEIGH BOROUGH COUNCIL

Thank you for your Council's email of 13 June 2024 (below). The revised master plan still does not address the situation to which we referred in our email of 28 January 2024. There is still no footway on the road served by this development nor is there a proposal to resolve that situation by the formation of a link to Footpath 506 West End. Development should not be permitted that is not accessible on foot.
