Land Between Allington Manor Farm, Roddington Forge And Chalcroft Farm, Allington Lane, West End SO30 2HU: Battery Energy Storage Systems Removal

Dear Dawn,

Locogen ('the Agent'), on behalf of Eastleigh Borough Council ('the Applicant') would like to formally request to remove the Battery Energy Storage Systems (BESS) development details out of the proposed planning application.

This will change the development description to *Development of Solar Farm with maximum grid export capacity of 27 MW, including solar panels, security fencing, CCTV cameras, internal access tracks, underground cabling, inverters, substations, grid connection, environmental enhancement measures and other ancillary development.*

As such all planning documents (full list Appendix 1) will have the words 'Battery Energy Storage Systems' and the associated acronym 'BESS' removed, prior to the uploading to the Planning Portal and the re-consultation process. The full list of planning drawings and infrastructure plans which have been withdrawn, and amended for the re-consultation process are detailed in Appendix 2.

The Applicant agrees to the amended conditions as a result of the removal of the BESS infrastructure and to any further changes to the conditions.

Yours faithfully,

Amy Talbot

Consenting Manager

Appendix 1. Amended Planning Documents

The following planning documents are to be amended and replaced following the removal of the Battery Energy Storage Systems.

- Allington Lane Planning, Design and Access Statement-V4.0-Issue;
- 8121-Allington Lane Solar Farm PAC Report-V2.0;
- Appendix 1. Landscape & Visual Impact Assessment;
- Appendix 2. Ecological Assessment;
- Appendix 3. Arboricultural Method Statement;
- Appendix 4. Flood Risk and Drainage Impact Assessment;
- Appendix 5. Traffic & Transport Assessment and Draft CTMP;
- Appendix 6. Noise Impact Assessment;
- Appendix 7. Glint and Glare Assessment;
- Appendix 8. Agricultural Land Classification Assessment;
- Appendix 9. Cultural Heritage & Archaeology Heritage Impact Assessment;
- Appendix 10. Draft Construction Environmental Management Plan; and
- Appendix 11. Phase One Contaminated Land Risk Assessment.

Appendix 2. Amended Planning Drawings

The following table outlines the submitted planning drawings and the amended titles to be uploaded.
