Hi Rebecca,

Thanks for consulting the Pollution Team on the application PN/24/97626 for the Prior Approval for a single storey roof extension to form 5 apartments, under Schedule 2, Part 20, Class AB of the Town and Country Planning General Permitted Development Order at 111 WINCHESTER ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 2GH.

The proposed development involves the construction of a roof extension to create a second floor for 5 apartments, no disturbance of the ground is anticipated. Therefore, it does not represent a risk on contaminated land. We agree with the principle of the development and no have further comments on contaminated land.

The main concern will be noise; however, I noted that Stuart is dealing with that already.

I trust the above information is of assistance. If you have any further queries, please do not hesitate in contacting us.

Best regards,

Yacklin
