

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	NC/24/97536				
Surveyor	Charlotte Holloway				
Address	THE HUB, BISHOPSTOKE ROAD, EASTLEIGH, SO50 6LA				
Proposed work	4no. Sycamore (T1, T2, T3 & T4) - Raise lower growth encroaching on tennis court to 5m by removing lower branches back to main stem. Any higher growth that overhangs to be pruned back to existing tennis court fence line, back to suitable growth points. To manage overhang from neighbouring trees affecting Tennis Court.				
Assessment Date	02/07/24				
Officer comments	The trees are situated to the east of the tennis courts and form a screen between the Itchen Navigation path and the recreation area. The trees have high levels of visual amenity and offer character to the local area. The trees are a mature group of sycamore in overall good health. The request to remove lower laterals and cut back the upper canopy to the tennis court boundary will enable continues use of the area. The notified work is unlikely to be detriment to the character of the local area.				
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area
