Dear Clare,

Re: Discharge of Conditions for application no.: F/24/97403

Description:	Installation of plant on rooftop and service ductwork to rear elevation for mechanical ventilation & heat recovery system
Site:	CAPITAL HOUSE, 100 SOUTHAMPTON ROAD, EASTLEIGH, SO50 5PB

Thank you for the Planning Approval emailed on 10th of July 2024. Please find attached the information required to discharge the Planning Condition no. 4 detailed below:

No fixed plant shall be installed until details of the fixed plant (and of any measures to mitigate sound emission from such plant) have been submitted to and approved in

DIRECTORS:
Paul S Anderson - ACIOB

Giordana Burns - Dip Arch RIBA

writing by the Local Planning Authority. Mitigation measures should be designed to ensure that the sound emission from all fixed plant installed under this planning consent does not result in a combined sound level at any residential property in excess of: - 42dBA LAeq,1 hour between the hours of 07:00 hours and 23:00 hours - 35dBA LAeq,15 minute between the hours of 23:00 hours and 07:00 hours

The approved fixed plant shall only operate with the approved mitigation measures in place. Reason: In the interest of amenity

I trust the information submitted is satisfactory. Please get in touch if you require any further information.

Yours sincerely
