

F.A.O Clare Martin
Senior Planning Officer
Planning & Environment
Eastleigh Borough Council
Eastleigh House
Upper Market Street
Eastleigh
SO50 9YN

09.07.24

Dear Clare

O/14/74322 (Phase 1) Land at Providence Hill, Bursledon, Southampton – S106 dated 9th October 2014

O/17/81166 (Phase 2) Land Off Providence Hill, Bursledon, Southampton – S106 dated 6th September 2021

Further to our exchange of correspondence on the LEAP's associated with the above planning consents and associated S106 agreements, please be advised that we would like to formally apply to vary the S106 agreements in the following ways:

- Remove Schedule Seven (and associated definitions and plan) and vary Schedule Five (and associated definitions) (to remove reference to the on-site open space calculation, commuted maintenance sum and supervision fee, the woodland commuted maintenance sum and supervision fee and the play area contribution and supervision fee) of the S106 Agreement dated 9 October 2014 for planning permission O/14/74322
- Amend the definitions within the S106 Agreement dated 6 September 2021 for planning permission O/17/81166 to increase the contributions towards the on-site LEAP play area works contribution, commuted maintenance sum and the supervision fee (as the LEAP area is to increase in size – the details of which will be submitted under Schedule 6 of the S106), remove definitions relating to on-site open space land, commuted maintenance sum and maintenance supervision fees (as the open space will be managed by a private management company), amend Schedule Four to remove the on-site open space maintenance supervision fee and amend Schedule Six to remove all reference to the open space land.

Foreman Homes Limited registered in England Company no 03313213

The purpose of the above variations, is to reflect the merging of the play areas on phases 1 & 2 (and associated contributions required under each S106 agreement) into one larger play area (ELEAP) on the Phase 2 land.

The public open space areas currently referred to within both S106 agreements will be provided in accordance with plans approved under the Reserved Matters consent and maintained by a private management company. As such, this requirement is no longer needed in the S106 agreements.

It is proposed that the larger LEAP on the phase 2 land will be made available to the Council and subsequently equipped and maintained by them. The location of which can be seen **below** and at **Appendix 1**:

In addition to the above, we are also seeking a variation to the S106 dated 6th September 2021 (O/17/81166) to amend Schedule Five (Affordable Housing) (and associated definitions) to refer to an alternative plan (**Appendix 2**) to that already contained within the agreement. The change to the tenure locations has been discussed and agreed - in principle – between EBC’s Mary Stribling and Vivid Homes’ John Crapper and it has been suggested by Mary, that the S106 is varied, to formally secure the change.

I can confirm that Foreman Homes Ltd are the sole land owners affected by the proposed changes to phase 1 (O/14/74322 – S106 dated 9th October 2014).

Foreman Homes Ltd (Developer) and Vivid Homes Ltd (Land Owner) are the parties affected by the proposed changes to phase 2 (O/17/81166 – S106 dated 6th September 2021)

I would be grateful if you could instruct your legal team to draft a deed of variation and share it with our Foreman Homes' legal representative:

Stephen Ball
Marshalls Solicitors LLP
102 High Street

GENERAL NOTES

This drawing forms part of an application for planning permission on behalf of the client named below. It shall not be used for any other purpose without the express permission of HGP Architects.

This drawing is only to the stated scale if it is printed correctly. HGP cannot accept responsibility for the incorrect scaling of drawings printed by third parties.

All dimensions are in mm unless noted otherwise.

Buildings are illustrated at design levels only. Actual building levels may be adjusted by +/- 0.25m during construction to achieve a minimum waste to landfill as required under the National Planning Policy for Waste.

The general direction of the car park and site falls are shown indicatively only. All car parking and internal site road levels may be locally varied (with some falls potentially reversed) during construction to achieve a minimum waste to landfill as required under the National Planning Policy for Waste.

This drawing is to be read in conjunction with all other HGP Planning drawings and all supporting documents.

This drawing may incorporate information from other professionals and as such HGP Architects cannot accept responsibility for the integrity and accuracy of such information.

SAFETY, HEALTH & ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the type of work detailed on this drawing, please note the following:

It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement.
