Subject: [DC/24/97717] 25 SHAFTESBURY AVENUE, CHANDLER'S FORD, EASTLEIGH, SO53 3BR - Conditions 3 (CEMP) and 6 (Imported Soils)

Good morning Rachel,

Thanks for consulting the Pollution Team on the application DC/24/97717 for the discharge of conditions 3 (CEMP) and 6 (Soils) of planning permission F/24/97030 for the Conversion of existing building, including external alterations to create 3no. bedroom dwelling (previously subject to prior approval application PN/22/93015, re-submission of F/22/93871) at the site located at 25 SHAFTESBURY AVENUE, CHANDLER'S FORD, EASTLEIGH, SO53 3BR.

The applicant's indication that no imported soils will be brought to the site is acknowledged. This satisfies the requirements of Condition 6.

Regarding Condition 3, I can confirm that the submitted Construction Environmental Management Plan (CEMP) satisfactorily meets all the necessary requirements for the discharge of the condition.

I trust the above information is of assistance. If you have any further questions, please do not hesitate in contacting me.

Best regards,

Yacklin
