Hi Rebecca,

Thank you for consulting the Pollution Team on the application PN/24/97939 for the change of use from Offices/Services (Class E) to 22 Dwellings (Use Class C3), under Class MA of the Town and Country Planning (General Permitted Development) Order at BARCLAYS BANK, 20-24 UPPER MARKET STREET, EASTLEIGH, SO50 9FD.

I noted my colleague Paul Bieda commented on environmental noise on 09/08/2024. I will comment on contaminated land as follows:

The Planning Statement produced by TPX indicates no excavation are proposed for the development. Therefore, the risk from contaminated land is negligible. I have no concerns on this regard.

I trust the above information is of assistance. If you have any further queries, please do not hesitate in contacting us.

Best regards,

Yacklin
