

FAO David Huckfield

Dear David,
Re: F/24/97441
Our reference: SOU24028

I refer to your consultation request received in this office on 29th May 2024.

Unfortunately we have been unable to comment fully on the proposed development because insufficient information has been provided concerning:-

- a) The existing and proposed elevations in metres of the proposed building works
- b) The details of the proposed solar panels and a glint and glare report to address any increased risk to aviation.

Please provide us with the information requested above at your earliest convenience. On receipt of the information we will endeavour to complete our assessment as soon as reasonably possible.

Yours sincerely,

Dan Townsend
