

Parcel B3a

Outline application:

DC/21/90593

Date: 07/08/2024

Vistry Group

Parcel B3a is now 100% complete

Condition 9 – External Materials

It is noted that the External Materials Schedule sets out the percentages of materials used across the parcel as a whole, but as with the other parcels details of the percentage split in each Character Area is required to enable it to be assessed against the Design Code. Please provide details of the materials split for each of the 5 character areas within parcel B3A – Chancellors Park, The Avenue, Woodland Edge/Green Spaces, Shared Surface/Connecting Streets and Parkland Edge

Response

Please find attached the following drawing showing the character split percentages as requested.
