

New grassed depression for balancing pond

New mound

Pedestrian gate created during phase 1.

Park specification fencing relocated to this position as part of phase 1 works.

New raised levels to tie in with existing around pool and improve visibility of children using the pool

Provision of short-medium term shading (until trees develop a wider canopy) to be reviewed. Use of artist design shades an option..

Existing 'half pipe' skate-board feature will be removed with options for alternative provision considered. Relocate basketball area to here. Re-configure tarmac area to the east of the half-pipe to improve potential for the junior skate facility.

New native shrub planting

Existing pedestrian entrance

Existing section of park specification fencing.

New mounds over existing grass and excavated tarmac areas

New slide

Existing pedestrian entrance

- Elements of works requiring planning permission:
1. Mounding within paddling pool area and to south of the junior play area.
 2. New Slide

Key
