The strategy for the ongoing monitoring and review of the travel plan and its targets, measures and actions is set out within section 7 of the document.

Through discussions between the project's Transport Consultant (Paul Basham Associates Ltd) and Eastleigh Borough Council's Senior Sustainable Transport Specialist, it has been agreed that the development is in Year 1 and once the updated staff and student surveys are completed in the third quarter of the year, a monitoring report will be produced that reflects all of the work to date and will confirm the timetable for implementing the Travel Plan, moving forward.

We trust that the information supplied above and attached will enable the discharge of this condition without delay. However, if you require further information or would like to discuss, please contact me as soon as possible.

Yours sincerely,
