Hi Summer,

O/23/96432 - Land to the west of Cobbett Way, Botley

In terms of access only, we have assessed the arboricultural report submitted in support of this application and do not raise an objection based on the loss of a single tree and part of a group.

However, at reserved matters, there will be a requirement to provide more arboricultural detail as the supplied report is not entirely satisfactory for those purposes.

Therefore, we raise no arboricultural objection, subject to the following condition:

The proposed access must accord with the arboricultural report reference 23088-AA2-PB. Reason - To retain and protect the existing trees which form an important part of the amenity of the locality.
