Morning Henry,

Thank you for the drawings, which I think we can treat as an NMA. The only think I would ask you to change is that the upper landing window is also marked as obscure glazed. This should prevent any potential overlooking of the neighbouring plot and mean that the conditions do not need to be amended.

Regards,

Gary Osmond

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
