Hi Rachael,

Yes, they are fine. Please use the following Condition:

The development must accord with the arboricultural method statement and tree protection plan (reference S4E38-08). No excavation, demolition or development related works shall commence until the tree protection measures have been installed as per the tree protection plan. Once installed, no access by vehicles or placement of goods, chemicals, fuels, soil or other materials shall take place within the protected area. Tree protection measures shall be retained in their approved form for the duration of the work and may only be modified subject to written agreement from the LPA. Reason - To retain and protect the existing trees which form an important part of the amenity of the locality.

Chris.

Hi Chris,

Please can you let me know if agree to these documents or not. If so, please can you provide a revised condition.

Many thanks,
Rachael
