Dear Ms Campbell-Best,

80 PARK ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 1GN

Discharge of conditions application for condition 8 (Construction Method Statement) for planning permission H/22/93369- Demolition of existing detached garage, two storey side and rear extension, single storey front and rear extensions, new dropped kerb site entrance and alteration to fenestration.

In regard to application DC/24/98249, specifically the highway related condition 8 (Construction Method Statement), it is noted that such a statement has been submitted and this has been reviewed accordingly.

The plan outlines all required elements of highway concern such as welfare / office, delivery strategy and storage areas, parking, and the methodology for ensuring the highway is kept clear of transferred mud and debris from the site.

As such, there is no objection to the discharge of condition 8 from a highway perspective.

Yours sincerely,

Matt Grantham
