Subject: APPN F/24/97885 EASTLEIGH LEISURE CENTRE - OUTDOOR LIGHTING DESIGN FOUR PADEL COURTS

Dear Rebecca

APPN F/24/97885 EASTLEIGH FOUR PADEL OUTDOOR COURTS

With reference the above.

Please find attached the lighting design for the four outdoor padel courts with the canopy structure now removed.

The padel court columns will be integrated into the padel court itself previously lighting fittings were attached to the structure of the canopy.

Please note that the scheme now uses 2700 Kelvin colour temperature fittings as requested by the ecologist.

If you have any queries please contact me.

Regards

LEE WEST M.R.I.C.S. M.C.I.O.B. - DIRECTOR
