Subject: F/24/98224 Unit 17 Solent Industrial Estate

Hi Rachael.

I refer to the application for change of use B2 to E [various] referencing the planning statement Colin Tebb September '24 and comment on Environmental Noise Impact.

The premises is surrounded by other commercial elements, contained on an industrial estate, the nearest residential noise sensitive receptor is some distance in Shamblehurst Lane.

Therefore, I have no objections to the application.

Thanks
